

RESOLUTION NO. 19-02/03

**A RESOLUTION OF THE VILLAGE COUNCIL OF THE
VILLAGE OF TEQUESTA, PALM BEACH COUNTY,
FLORIDA, SUPPORTING THE SOUTH FLORIDA WATER
MANAGEMENT DISTRICT'S PRESERVATION OF THE
LOXAHATCHEE RIVER .**

Whereas, South Florida Water Management District (SFWMD, the "District"), has established minimum flow levels to address preservation of the Loxahatchee River; and

Whereas, the District has implemented a minimum flow Rule of 35 cfs, which is the first step towards preserving historical flows to the River, and has identified other steps which will be taken to enhance seasonal flows above the 35 cfs as part of an overall plan to return the River to a state which is viable, healthy, and productive; and

Whereas, the River is one of the most valuable resources to the Village, enhancing our recreational lifestyle, our property values, and our sense of environmental awareness; and

Whereas, the SFWMD has documented its intention to expand its studies and add to available databases information which will achieve the goals of River restoration which will preserve the River for future generations,

Now, Therefore it is hereby Resolved, that the Village of Tequesta supports the implementation by SMFMD of steps to preserve the Loxahatchee River.

THE FOREGOING RESOLUTION WAS OFFERED by Councilmember vanFrank, who moved its adoption. The motion was seconded by Councilmember Resnik, and upon being put to vote, the vote was as follows:
